Judges

The Board may select a judge from the approved list for the present year should the present year judge not be able to do the assignment. (June 1989) (August 2011)

The selection process for judges as outlined in the May 1999 Wag shall be put to use:

In the May Wag, members will be invited to submit up to three names to the Recording Secretary by July 15th. A list of ineligible judges (due to prior WTCA Specialty assignments over the last eight years) will be included. (October 2002)

Members may nominate individuals (including professional handlers), who are not approved by AKC to judge Welsh Terriers, subject to AKC eligibility

requirements. Before nominating individuals not approved by AKC to judge Welsh Terriers, members should familiarize themselves with the AKC requirements, which may be found in the Procedures section of the Standing Rules and ascertain that their nominee is willing to fulfill the criteria required by AKC.

Members may also nominate foreign judges from the AKC Visiting Judges List or Federation Cynologique Internationale judges approved to judge Welsh Terriers. (January 2018)

The Recording Secretary will cull ineligible judges, specifically those not approved by AKC or FCI to judge Welsh Terriers (this information is readily available in the searchable Judges Directory on the AKC website, or the FCI Judges Directory at fci-judge.org) or who do not meet AKC eligibility requirements. The Recording Secretary will also exclude those who only receive one vote, and then compile a final list of the ten names with the highest number of nominations. (July 2008) (January 2018)

By August 15th, a final ballot of available judges will be sent to members.

An electronic system of balloting may be used. (March 2022)

If balloting is done by mail, ballots will have to be returned to the Recording Secretary by September 15th. The double envelope system will be used for balloting. (October 2002) (August 2011)

If the winner of the election is not an AKC approved judge or is an FCI approved judge not included on the Visiting Judges List, the Board of the WTCA will request approval from AKC in accordance with AKC procedures. (See Procedures Section of the Standing Rules) (January 2018)

The judge's contract is to stipulate that a judge will not accept any other Welsh Terrier judging assignment in the continental United States within 6 months prior to the Montgomery County WTCA Specialty. (October 2003) (July 2008)

If approval of an unapproved individual, or visiting judge status, is denied by AKC, the individual with the second highest number of votes will be selected to judge the National Specialty, subject to club and AKC eligibility requirements. (January 2018)

The Recording Secretary will inform the President of the results. In case of a tied vote, a random drawing will be held at the Annual Meeting. The President will invite the winner to judge via phone (working down the list if top vote-getter suddenly becomes unavailable). The President will immediately release the other judges. The Corresponding Secretary will

send a letter and a contract to the selected judge. (July 2008) (September 2015)

The President will announce the results at the Annual Meeting in October. The results will appear in the November Wag. (July 2008)

This selection process for judges will also apply to Sweeps Judges with the exception of the AKC licensing requirement. However, the nominating person must verify with the nominee their willingness to be a Sweeps Judge prior to their nomination. (July 2008)

Floating Specialties (Regional and Other)

1. The judge will be selected from the host club panel. The host club will be either an all-breed club or group club
2. The show chair for the next Floating Specialty (usually two years out) will obtain the panel that has been hired by the host club. After removing the names of judges who are not licensed for Welsh Terriers, the remaining list will be presented to the Board. The Board will rank them in order of preference and return this information to the floater show chairman. The floater show chairman will then coordinate with the host club, advising them of our request.
3. If the host club has not completed their panel and requests input on a Welsh Terrier Judge, the floater chairman will contact the Board through the Recording Secretary. The Recording Secretary will provide the names of the top three judges next in line from the list voted on by the membership, and whose top choice was announced at the previous annual meeting
4. The floater show chairman will work with the host club to ensure that the names on that list will be used in order of preference to ensure the wishes of the WTCA membership.
5. Should the host club not be able to hire any of the three names provided, then the floater show chairman will advise the Board and provide the hired panel for the Board to rank as provided in number 2 above. (July 1999) (April 2011)

The revised Code of Ethics (conveying a more positive tone) was approved:

As a WTCA member, I will:

Comply with all American Kennel Club and WTCA rules.

Accept and support the Constitution and By-laws of the WTCA.

Be a responsible dog owner and maintain high standards in the care and training of my dogs.

Keep the health and welfare of the dogs the first criterion in breeding or selling Welsh Terriers.

Breed only to improve my dogs to the standard of the breed.

Sell dogs using true representation to the purchaser, both in verbal statements and in advertising.

Sell all dogs, which are not to be shown in conformation with AKC Limited Registration, preferably with a spay-neuter contract in addition.

Offer stud service to bitches or use as stud dogs only animals registered with the AKC or a foreign national registry, which are genetically sound and of good conformation, health, and temperament. The Stud Dog owner's role includes responsibility for all litters sired by his dog in cases where the breeder is unable to assume this responsibility. Stud Dogs should be made available only to bitches whose owners adhere to the basic principles of the WTCA Code of Ethics.

Refuse to sell dogs to wholesalers or retailers or donate dogs to raffles or auctions. I will sell or donate dogs to research only if that research is breed related and WTCA approved.

Help purchasers with advice and instruction for the life of the dog. I will guide novice persons interested in conformation showing, obedience, and performance events.

Assist the owner and WTCARES in re-placement of all dogs I breed or sell for the life of the dog.

Strongly encourage owners to obtain an AKC championship on at least one dog before beginning a breeding program.

Make referrals only to breeders who are believed to adhere to all of the above.

Help to educate the general public regarding all aspects of Welsh Terriers. (March 2014)

It was decided that the procedures for the payment of membership dues will be added to the Standing Rules:

The Treasurer will mail one dues notice to members in November, pursuant to the WTCA by-laws. A reminder will be placed in the February WAG and a reminder sent by email, or mail to those members without email addresses, by March 1. In addition, at the discretion of the Treasurer, a letter may be sent by U. S. Postal Service at any time after the first of the year to remind those members that have not renewed their dues. No other action will be taken without Board approval. (August 2011) (June 2013)

Dues are due on January 1st of each year.

Dues payments are not accepted after April 1st of each year. After that date, WTCA membership is considered lapsed, and the member will not be included in the WTCA directory for that year.

After April 1st, a lapsed member renewal form must be completed and sent to the Treasurer with dues plus a \$10 late fee if renewal is requested within the calendar year. The Treasurer will send a Lapsed Membership form to anyone who has been a member for at least ten years, who is an active Committee Chair or Committee member or who offers an Annual Award. (June 1999) (June 2018)

The Corresponding Secretary will advise the Membership Chair to develop and make a record of other information from the dues renewals form received by the Treasurer. Such breakdowns shall show the talent and availability of club members and where they are willing to volunteer. This breakdown shall be for the board's use only, not for the general membership (May 2010)

New Members

Spouses of members can become a member of the WTCA by following standard membership application procedures. (June 1994) (April 2005)

A signed statement shall appear on the bottom of the WTCA application stating that a false statement or leaving a blank on the application will invalidate membership. (June 1994)

All applicants for membership in the WTCA should be given a copy of the Club's objectives (first page of the Constitution and By-laws) with their application. (March 1995)

New memberships will be voted on only after discussion at regularly scheduled meetings of the Board. (January 1997) (October 2005) (June 2008)

A nonrefundable initiation fee of \$10 must accompany new applications for membership along with the first year's dues. (June 1997) (October 2005) (June 2008)

New members should receive, with their acceptance letter, a membership list, a link to the Club's Website and the members only password so that they can view or print the Constitution and By-Laws and Standing Rules. The new member may request a copy of the Constitution/By-laws from the Corresponding Secretary. (February 2000) (August 2011)

Wording change on WTCA membership application ---

Membership must be proposed by two members in good standing from two different households who have held membership in the WTCA for at least two years and who have known the applicant for at least one year. This application must be accompanied by letters of recommendation from both sponsors. (October 2002)

The names of prospective members must be sent electronically via email to the membership or must be published in the WAG prior to the Board voting on membership. The Board will not vote on applicants until four weeks after notification of the membership either by email or by publication in the WAG. (February 2023)

Specialty Guidelines

- At a dinner, the judge will be seated at a table that is comprised of individuals that are not showing a dog to the judge on that weekend. (October 1985) (April 2008)(June 2023)

PROCEDURES & GUIDELINES

Double Envelope System for Voting

This procedure explains the proper usage of the Double Envelope System for voting used to select Officers and Directors and to select judges for regular classes and sweepstakes classes at specialty shows. The purpose of the double envelope system for voting is to assure the club members and officers of accurate vote tallies and that there is no appearance of impropriety in the receipt and counting of ballots.

Authority:

WTCA By-Laws Article IV, Section 3(c) – Election of Officers and Directors
WTCA Standing Rules – Judges, selection of

Duties of the Recording Secretary:

The Recording Secretary shall mail out ballots to all members in good standing by the date specified for the election. Each member shall receive one ballot, one inner return envelope and one pre-addressed return envelope. For double memberships the two ballots and inner envelopes may be sent with only one pre-addressed return envelope. Both the inner return envelope and the pre-addressed outer return envelope shall be identified as to the ballot, either “Election of Officers” or “Judge Selection.” The pre-addressed outer envelope shall have the full mailing address of the Recording Secretary.

A letter of explanation shall accompany the ballots and return envelopes. See the Sample Voting Instructions in the SAMPLE DOCUMENTS section. This letter shall state the following:

- The type of balloting and the due date for return of the ballot.
- Instructions for voting.
- That the ballots should be placed in the inner envelope and sealed, one ballot per inner envelope, to be returned in the pre-addressed envelope.
- That no other correspondence should be included with the ballots.
- That the name and return address of the member shall be placed on the pre-addressed envelope along with proper postage.

The Recording Secretary shall receive the unopened outer return envelopes and in the case of the Election of Officers and Board turn them over to the Inspectors of Election at the close of the election. For the judge selection

balloting the Recording Secretary shall follow the duties of the Inspectors of Election listed below in the presence of two other club members.

Provide the Inspectors of Election with a roll of membership listing those members in good standing eligible to vote and a tally sheet for the voting which shall contain exactly the same position and candidate information as the ballot except to be marked as "Tally Sheet"

Duties of the Voting Members:

Place filled out ballots in the inner return envelopes and seal, one ballot per inner envelope.

Place the inner envelope(s) in the pre-addressed outer envelope with no other correspondence.

Put complete name and return address on the outer envelope along with the proper postage and mail. If the ballot is to be hand delivered it must be sealed in the inner envelope and placed in the outer envelope with return address affixed.

Duties of the Inspectors of Election and Vote Tally Procedure:

The following steps are to be completed in order, finishing one step completely before starting on the next.

1. Verify that all ballots have been received directly from the Recording Secretary in their unopened outer envelopes.
2. Take each outer envelope and verify the return name against the membership roll. Set aside the unopened envelope in an invalid pile if the name is not on the membership roll. Open the envelope and verify that there is one inner envelope for a single membership, and no more than two inner envelopes for a double membership. Set aside the outer envelope and inner envelopes in an invalid pile if there is more than one inner envelope for a single membership or more than two inner envelopes for a double membership. Check off the name(s) on the membership roll from the outer envelope. Place the unopened inner envelopes in a valid pile and place the empty outer envelopes in a separate pile to be retained.
3. Open the inner envelopes and remove the ballots. As each inner envelope is opened, verify that there is only one ballot enclosed. Set aside any multiple ballots with their envelope in an invalid pile. Place the ballot in a pile to be counted.
4. Tally the votes for each candidate for each position.
5. Sign the tally sheet and deliver to the President. Save all voting materials for possible recounts or contested results.

The nominating committee should follow the instructions provided in Article IV, Section 3 of the WTCA By-laws including references to Article III, Section 1. All members of the committee should familiarize themselves with these two sections of the By-laws.

Additional guidelines:

- The committee chairman should place a notice in the February issue of the Wag requesting the membership to send any suggestions they have to the Nominating Chairman.
- The committee chairman can also check with the current President, Officers, and Board members for input.
- The committee chairman should determine which of the current officers are eligible to continue serving in their current positions.
- The committee should then decide if it is in the best interest of the club to leave any or all of the eligible officers in place keeping in mind the importance of a cohesive Board.
- The chairman should contact all of the currently serving officers that the committee would like to retain and make sure they are willing to serve another year.
- Once the available positions are known, the committee will then select the candidates according to the rules provided in the By-laws.

Procedure for approval of National Specialty judges not approved by AKC.

AKC now allows Parent Clubs to request individuals not approved to judge their breed to judge their National Specialty. Any individual may be requested, including, but not limited to, professional handlers. Approvals are done on a case-by-case and event-by-event basis, and a request can only be submitted by the Parent Club. Requests must be submitted to the Judging Operations Department to be reviewed by the Judges Review Committee and must be on the official AKC Parent Club form (http://www.akc.org/pdfs/judges/Parent_Club_Request.pdf).

Individuals requested must meet all requirements as outlined in the Judges Approval Process:

- Must be 21 years of age or older
- Must be occupationally eligible (exception for professional handlers)
- Should be knowledgeable, with success in breeding/exhibiting/handling in the breed for 15 years or more
- Judges Review Committee will review the request at the next available monthly meeting

The Parent Club will be notified by the Judging Operations Department of the decision of the Judges Review Committee.

Individuals approved by the AKC Judges Review Committee will be notified by the Judging Operations Department and must then fulfill all remaining AKC criteria:

- Take and pass the Procedural exam
- Take and pass the Anatomy exam
- Take and pass applicable scales and/or wicket exam conducted by an AKC Executive Field Representative.
- Submit a non-refundable \$25 processing fee.

Upon completion of all requirements, AKC will notify the Parent Club and individual requested and assign a judge's number to the approved individual. Approval will be for the requested event only.

All individuals approved for Parent Club Specialties per their request are bound by the same Rules, Policies and Guidelines as approved judges in regard to the event in which they will judge. Approved individuals should familiarize themselves with the Rules, Policies and Guidelines for Conformation Dog Show Judges and/or contact the Judging Operations Department with any questions regarding exhibiting eligibility.

Procedure for approval of National Specialty judges approved by the Federation Cynologique Internationale to judge Welsh Terriers but not included on the AKC Visiting Judges List.

If the winner of the Judges Ballot is a foreign FCI judge approved to judge Welsh Terriers but who is not included on the AKC Visiting Judges list, the WTCA must initiate the process for AKC's inclusion of the individual on the Visiting Judges List. The WTCA will first contract the foreign judge to officiate at the National Specialty.

When AKC receives notice of WTCA's selected judge, the Event Planning department will begin the visiting judge application process. Judging Operations will contact the foreign judge with an application to be completed and will also contact the foreign registry to confirm the individual's approved breeds.

Teleconference Board Meetings: Guidelines for Members

Members of the WTCA are entitled to attend (but not take part in) Board meetings and listen in on Board meetings held by teleconference call.

Any member who would like to listen in on a teleconference Board meeting should contact the current Recording Secretary, who will arrange for them to be provided with a telephone number and access code for the meeting.

Members may not participate in Board teleconferences and should keep their phones on 'mute' until the agenda item 'Members' Q and A', at which time, they will be able to put a question to the Board (after taking their phone off the mute setting), but may not instigate a discussion. This mute setting will allow the member to listen to the meeting, but not speak. It will also filter out any distracting background noise, so that the Board can conduct their business. The member may not take part in any discussion by the Board.

Members may not listen in on Executive Board Sessions when the Board will be discussing issues involving individual members, the acceptance of new members, or any other issue of a sensitive nature.

Members may email questions to the Board in advance of the meeting. These will be discussed at the discretion of the Board and as time permits. In the event that an emailed question is tabled, the member putting the question will be informed by email.

Photo Policy for Website

All club members may send photos to the Webmaster for publication on the website. Photos will be retained to provide a photo library and will be published at the Webmaster's discretion.

All submitted photographs must be high resolution.

Any photos of quality, well-groomed Welsh Terriers will be considered. These will include photos of Welsh Terriers competing in conformation, and events that demonstrate skills for which Welsh Terriers were bred, such as Earthdog, and Barn Hunt. Photos of dogs competing in agility, obedience, rally, will also be included as examples of fun things to do with your Welsh, but shouldn't give the impression to someone looking specifically for a dog with which to compete seriously in agility or obedience that the breed as a whole has a natural aptitude for this type of event.

Dogs should not be identifiable from the photos, with the exception of win photos from WTCA specialties, supported entries and sponsored events when the name and date of the event, the name of the dog and the owner, and the award won will be included.

WTCA Disciplinary Process Guidelines

Introduction

The purpose of this document is to provide information and guidance. As a guideline, this document provides recommendations that, while reviewed by the 2021 WTCA Board, should not be construed as rules. The rules governing WTCA disciplinary process, beginning with the highest authority, are: Laws of New York state (where the club is incorporated); Constitution and Bylaws; Rules of order ((parliamentary procedure); and Standing Rules. These guidelines are intended to assist WTCA members and Board, should they find themselves involved in a situation that may require disciplinary action, but the guidelines are not part of the official WTCA governance process.

To ensure that these guidelines are consistent with AKC processes and guidelines, the Ethics Committee consulted with the AKC Member & License Club Coordinator, Susan Zucker. She, in turn, has pointed us to the AKC bylaws and documents clarifying AKC bylaws pertaining to disciplinary process and related governance. Where relevant, this document will reference information and guidance provided by Ms. Zucker and pertinent AKC documents. While WTCA is governed by the approved WTCA bylaws, this guide will also provide some information on AKC's most recent sample bylaws published February 23, 2021 ([SAMPLE-CONSTITUTION-AND-BYLAWS-FOR-PARENT-SPECIALTY-CLUBS.pdf](#)) since this document provides a view of AKC's current thinking on the disciplinary process. As an example, AKC has updated the heading "ARTICLE VI, Discipline" to now read "ARTICLE VI, Discipline, *[In accordance with State Law]*", to emphasize the importance that a club knows and complies with the law in the state in which it is incorporated. The sample bylaws may also provide examples of reasonable processes that are consistent with current WTCA bylaws and may be supportive of the WTCA disciplinary process.

A large portion of this document will follow the layout of content in Article VI Discipline of the WTCA Bylaws. For each section of the Article, the section will be reproduced, followed by additional information and guidance from the Ethics Committee. Please note that we are referencing the WTCA Bylaws and AKC documents in existence as of March 2021. Any subsequent updates to the Bylaws may necessitate an update to this document and it may be advisable to check for updates to referenced AKC documents.

WTCA Disciplinary Process Guidelines
ARTICLE VI Discipline

SECTION 1. ***American Kennel Club suspension.*** *Any member who is suspended from the privileges of the American Kennel Club automatically shall be suspended from the privileges of this Club for a like period.*

Information and Guideline

1. In their most recent sample bylaws, the AKC amended “the privileges” to “**any of the privileges**” since some, but not all, AKC privileges may be suspended. In the absence of a WTCA Bylaw update, whether SECTION 1 allows for suspension of club privileges based on a suspension of some, but not all, AKC privileges may not be clear. The AKC Bylaw FAQ document <https://www.akc.org/clubs-delegates/clubs/forming-a-club/club-bylaw-services/> notes that “As far as AKC suspensions are concerned, a member of **a** club can be suspended **either if any or all** of their AKC privileges have been suspended. ***This determination is to be made by each club’s board of directors until such time as the membership votes to amend the language in the bylaws.*** Since most bylaw provisions were adopted at the time when only *all* AKC privileges would be suspended, clubs have interpreted “the privileges” to mean all privileges, unless an amendment is adopted by the members which specifies “any” AKC privileges.”

2. Per the AKC Bylaw FAQ document, the Club’s suspension can either run concurrently with the AKC’s suspension or begin when the board is notified and determines the effective date.

WTCA Disciplinary Process Guidelines
ARTICLE VI Discipline

SECTION 2. Charges. *Any member may prefer charges against a member for alleged misconduct prejudicial to the best interests of the Club or the breed. Written charges with specifications must be filed in duplicate with the Recording Secretary together with a deposit of \$100, which shall be forfeited if, following a hearing, the Board or a Committee does not sustain such charges. The Recording Secretary shall promptly send a copy of the charges to each Officer and member of the Board or present them at a Board meeting, and the Board shall first consider whether the actions alleged in the charges, if proven, might constitute conduct prejudicial to the best interests of the Club or the breed. If the Board considers that the charges do not allege conduct which would be prejudicial to the best interests of the Club or the breed, it may refuse to entertain jurisdiction. If the Board entertains jurisdiction of the charges, it shall fix a location, date and time for a hearing by the Board or a Committee of not less than three persons on the Board, not less than three weeks nor more than six weeks thereafter. The Secretary shall promptly send one copy of the charges to the accused member by registered mail together with a notice of the hearing and an assurance that the defendant may personally appear in his own defense and bring witnesses if desired.*

Information and Guideline

1. Preferring Charges: Written charges and specifications should be clear and concise to ensure that the Board and accused member have a good understanding of what is being alleged. The Complainant may state the charges in whatever way they feel is appropriate however we have provided a recommended format and guidance in Appendix 1.

2. Sustaining Charges: In determining whether or not to entertain jurisdiction, the Board determines whether or not the alleged behavior constitutes conduct prejudicial to the best interests of the Club or the breed. The Ethics Committee strongly recommends that violation of the WTCA Code of Ethics be considered conduct prejudicial to the Club or breed however conduct not covered by the Code of Ethics may also be considered. The Board will not consider whether or not the accused member may be guilty of the charges at this time and should not review evidence as part of this assessment.

3. Hearing Committee:
 - a. Comprised only of Board members. The committee must have at least 3 members. The authority to hear disciplinary matters cannot be transferred or delegated to any other individual.
 - b. Any member of the Board having a business or personal relationship with either the accused member or the complainant should recuse themselves from the Committee. It is suggested that other than such recusals, all Board members

serve by default on the Committee in order to avoid the appearance of impropriety or structuring the committee to favor one side or the other.

- c. Either the complainant or the accused member may submit specific objections to any board member participating in the disciplinary process. Please refer to the AKC Bylaw FAQs for descriptions of process and possible outcomes. <https://www.akc.org/clubs-delegates/clubs/forming-a-club/club-bylaw-services/>
- d. Where Article VI uses the phrase “Board or Committee”, it is understood to be referring to the hearing committee defined above.

WTCA Disciplinary Process Guidelines
ARTICLE VI Discipline

SECTION 3. Board Hearing. *The Board or Committee shall have complete authority to decide whether counsel may attend the hearing, but both complainant and defendant shall be treated uniformly in that regard. Should the charges be sustained, after hearing all the evidence and testimony presented by complainant and defendant, the Board or Committee, by a majority vote of those present, may reprimand or suspend the defendant from all privileges of the Club for not more than six months from the date of the hearing, or until the next Annual Meeting if that will occur after six months. And, if it deems that punishment is insufficient, it may also recommend to the membership that the penalty be expulsion. In such case, the reprimand or suspension shall not restrict the defendant's right to appear before his fellow members at the ensuing Club meeting which considers the recommendation of the Board or Committee. Immediately after the Board or Committee has reached a decision, its findings shall be put in written form and filed with the Recording Secretary. The Recording Secretary, in turn, shall notify each of the parties of the decision and penalty, if any.*

Information and Guideline

1. Board hearing process: Per the AKC Bylaw FAQs, Section XI "The Hearing" of the AKC document "Dealing with Misconduct at American Kennel Club Events" [RDMSC4.pdf \(akc.org\)](#) may be used as a reference for process. It is explicitly noted that this is the only section of the publication which can be utilized in connection with an internal club hearing which has resulted after charges have been filed in accordance with Article VI.

Regardless of whether the Committee chooses to follow the process proposed in "Dealing with Misconduct at American Kennel Club Events", the following should apply:

- a. Evidence and witnesses may be presented by both the complainant and the accused. A charge is unproven unless supporting evidence is provided.
 - b. The accused member should have access to all evidence supporting the charges and be present during all witness testimony. The accused member has the right to question the complainant's witnesses.
2. Interpretation of Section XI, "Dealing with Misconduct at American Kennel Club Events", The Hearing: As this document was developed as a guide for Event Committees, some of the roles, process and terminology require interpretation when applied to an internal WTCA disciplinary hearing
 - a. Section XI refers to a role known as the "Chair". (Originally intended to mean Event Chairman). It is recommended that the Committee designate one member to serve as "Chair".

- b. To maintain orderly procedure, Section XI suggests that only the Chair ask questions of witnesses except for points of clarification. If this procedure is followed, it is important that the hearing process allow for Committee members to feed substantive questions to the Chair during the hearing.

WTCA Disciplinary Process Guidelines
ARTICLE VI Discipline

SECTION 4. ***Expulsion.*** *Expulsion of a member from the Club may be accomplished only at the Annual Meeting of the Club following a hearing and upon recommendation of the Board or Committee as provided in Section 3 of this Article. The defendant shall have the privilege of appearing in his own behalf though no evidence shall be taken at this meeting. The President shall read the charges and the findings and recommendations, and shall invite the defendant, if present, to speak in his own behalf. The meeting shall then vote by secret ballot on the proposed expulsion. A 2/3 vote of those present and voting at the Annual Meeting shall be necessary for expulsion. If expulsion is not so voted, the suspension shall stand.*

Information and Guideline

No comment.

This section is consistent with the Feb 23, 2021 AKC sample bylaws.

Appendix 1
Filing Charges Against a WTCA Member

As stated in Article VI Section 2 of the WTCA Constitution and Bylaws: *Any member may prefer charges against a member for alleged misconduct prejudicial to the best interest of the Club or breed. Written charges with specifications must be filed in duplicate with the Recording Secretary together with a deposit of \$100, which shall be forfeited if, following a hearing, the Board does not sustain such charges.*

In order for the filing to be actionable by the Board, it is important that the charge and specifications be stated clearly and concisely.

The following template and examples may be used as a reference to assist in filing charges:

I, _____, charge _____ with conduct prejudicial to the best interest of the Club or breed based on the following:
Specification 1:
Specification 2:
Etc.

Writing Clearly

Well written specifications are unambiguous, specific, and only contain information that pertains to the alleged misconduct. Proof and supporting narrative specific to the misconduct being charged may be provided if they will assist the Board in determining whether to assume jurisdiction for the case however it is critical that they reinforce and not confuse the charges.

In deciding whether or not the WTCA Board will assume jurisdiction for these charges, the Board must decide whether a member's behavior, if proven, constitutes conduct prejudicial to the best interests of the breed or Club. Proof of prejudicial conduct does not need to be submitted when charges are preferred but will be needed if/when the case proceeds to a hearing.

Appendix 3 General Remarks

1. Confidentiality: All officer and board communications pertaining to a disciplinary event should be treated as confidential and disclosed outside the board only on a need-to-know basis. All written communications should be clearly marked as board confidential. Meetings pertaining to the disciplinary event are executive sessions and as such are board confidential.

Members involved in any aspect of the disciplinary process should behave respectfully towards all parties involved. Information learned during a hearing or about the hearing process should be treated as confidential.

2. Complaints from non-members: The WTCA disciplinary process is an internal process intended to deal with members whose conduct is prejudicial to the best interests of the breed or Club and as such allows charges to be filed by members only. Non-members who believe that a member's conduct is prejudicial to the best interests of the breed or Club may bring this to the attention of a club member however only the member may file charges. Other remedies available to non-members may be local animal control, police and civil court, depending upon the nature of the issue.

3. Applicability and interpretation of Robert's Rules: As mentioned in the Introduction, the rules governing WTCA disciplinary process, beginning with the highest authority, are: Laws of New York state (where the club is incorporated); Constitution and Bylaws; Rules of order ((parliamentary procedure); and Standing Rules. While the WTCA Bylaws clearly define the overall disciplinary process, there are some aspects of the process that may be open to interpretation. It is the Board's job to interpret the Bylaws and where they believe the Bylaws do not provide explicit direction, turn to Robert's rules of Order for that direction. In turn, the interpretation of Robert's Rules and how/when they apply to the WTCA Disciplinary Process is also a Board responsibility. When Robert's Rules are relied on, we strongly encourage the Board to consult with a Parliamentarian to avoid even the appearance of unjust process or impropriety.
